ADVANCED MARINE LAW ENFORCEMENT TRAINING

"The Marine Law Enforcement Experts"

Approved for mandatory retraining

This advanced marine police training is specifically designed for marine patrol officers and supervisors. The advanced HANDS-ON training will significantly enhance the skills and safety of the officers that are assigned to proactive enforcement activities, marine boating safety, marine community policing, and marine domestic security details. This is the #1 internationally requested marine police training course!

The framework for this course was based on the overwhelming requests from our global marine police network. Don't wait, registrations are limited. Register now! Visit our website www.tactrainingusa.com.
